SANDERFORD & CARROLL

[Learn More](#)

Sanderford & Carroll is an experienced construction and federal procurement law firm serving general contractors, subcontractors, developers, private and public owners, and vendors. Our attorneys have experience providing comprehensive legal representation to clients with interests in the construction industry.

It is the firm's goal to provide the highest quality legal representation and counsel for our clients at a reasonable cost. Conveniently located in Central Texas, our attorneys are recognized across the state as skilled advocates in their areas of practice.

Our Practice Areas

Our firm represents general contractors, subcontractors, developers, select private and public owners, and vendors involved in all types of construction. Our clients build or own both public and private projects.
