

Brian K. Carroll

Brian K. Carroll

Managing Partner

Brian is the managing partner of Sanderford & Carroll, P.C. Licensed since 2002, the primary focus of Brian's practice is representing contractors and subcontractors in the construction industry. In addition to earning a law degree, Brian was a Terry Scholar at The University of Texas at Austin. Brian earned a bachelor of science in architectural engineering. Prior to pursuing a law degree, Brian worked as a design engineer for two of the preeminent civil engineering firms in the nation. Brian uses his knowledge of TxDOT design and highway engineering to represent highway contractors and assist clients in evaluating, preparing, and litigating claims arising out of TxDOT projects. In addition to serving as an advocate, Brian is also a certified mediator. Brian's mediation practice is not limited to construction, but instead covers all manner of civil disputes. Brian taught senior and

graduate level courses in contracts, liability, and engineering ethics at The UT Cockrell School of Engineering at The University of Texas. Currently, Brian serves as an adjunct professor of construction law at Baylor Law School. Brian gained board certification in construction law in the inaugural class.
