Paul Sanderford speaks to Construction Financial Management Association

Paul Sanderford served as the featured speaker at the Construction Financial Management Association, Austin – Central Texas Chapter March 2014 meeting. Mr. Sanderford's presentation, "Subcontract Clauses: The Best of Both Worlds" covered important topics including liquidated damages, venue selection, change orders, dispute resolution and the standard of care. He provided practical advise for negotiating balanced subcontracts that fairly allocate risk to both the general contractor and subcontractor.
